

OUR HEALTH, SAFETY AND WELLBEING POLICY STATEMENT

Countrystyle Recycling's Board of Directors considers that the Health, Safety and Wellbeing of its employees, customers and the public is of paramount importance to us as a business. Countrystyle will ensure that all reasonably practicable steps are taken to ensure the Health, Safety and Wellbeing of all our employees, customers and the public and of any other persons who may be affected by our activities. We will aim to achieve this by promoting the highest possible standards for Health, Safety and Wellbeing in all the activities that Countrystyle undertakes.

OUR HEALTH, SAFETY AND WELLBEING OBJECTIVES

The Board of Directors of Countrystyle believe that all accidents are avoidable. Our objective is to prevent injury and ill health, in addition to continually improving our Health, Safety and Wellbeing performance. To achieve this Countrystyle will:

1. ensure all our employees to take personal ownership of safety each and every day;
2. provide adequate resources for the identification and evaluation of safety risk, with the aim of eliminating or
3. reducing hazards to an acceptable level;
4. consult and communicate with employees, contractors, visitors and any other persons affected by our activities, regarding health, safety and wellbeing;
5. ensure all employees are trained and are competent to undertake the tasks allocated to them;
6. ensure all 3rd party contractors have in place suitable and compliant procedures for the operations and services that they provide to Countrystyle or its customers;
7. provide and maintain safe places of work, equipment and systems of work to minimise risk;
8. promote health, safety and wellbeing awareness in accordance with the company's health and wellbeing improvement plan by the provision of information, instruction and training and access to Occupational Health services; and
9. commit to ensuring that all relevant legislative and other requirements are identified and met.

OUR HEALTH, SAFETY AND WELLBEING TARGETS FOR 2021-2022

- To maintain the highest standards for fire safety training and instruction across the organisation.
- To achieve a Lost Time Injury Frequency Rate reduction target of 10% in the financial year ending April 2022
- To specially promote the awareness of all Wellbeing issues arising in the workplace through a targeted promotion campaign; and
- To implement Safety Improvement Teams within each operation across the Company's business.
